St. Edward School Golf Classic

Mission Statement

The St. Edward Golf Classic was started to raise funds to replace classroom buildings destroyed in an arson fire in the summer of 2000. Thanks to the first tournament, three classrooms were built.

Although the building is complete, many improvements to the campus are needed. In light of this, we continue our fund raising efforts and are proud to announce the Tenth Annual St. Edward Golf Classic.

Whereas other large cities in the Inland Empire, such as Riverside and San Bernardino, offer several Catholic schools, St. Edward School is the only Catholic school in the fast growing Corona-Norco region, and is dependent on private donations. Serving a combined population of over 150,000, St. Edward is also one of the largest schools in the San Bernardino Diocese, instructing over 400 students every year.

Enclosed is a registration/sponsorship form for our 2011 tournament. Please take a moment to review the participation options, mark as appropriate, and return to St. Edward School. We look forward to your future assistance as we seek to accomplish our goals. **(For tax purposes, please note that St. Edward School, Corona, is a unit of the exempt Diocese of San Bernardino, Education and Welfare Corporation. This institution is exempt under section 501C3 of the Internal Revenue Code.)**

It is the generosity of the tournament's corporate and private sponsors that make this event possible, and for this, we thank you.
