Dear Parents,

Language Arts: Your child will be reading a biography about Lewis and Clark. The assignments for spelling are on the Homework Schedule. They will continue writing their Vacation Story.

Religion: This week's subject is the Holy Trinity. We will be studying for chapter 1 assessment. A study sheet will be coming home on Friday. Have your child study for the assessment on Monday of next week.

Math: Your child will be learning how to mentally add multi-digit sums and subtract multi-digit differences.

Social Studies: The children will use maps locating various locations in California. They will review the parts of a map, and use these parts to answer questions.

Music: We will learn to play a new song on the recorder. They will also learn about different genres of music.
