Oct 23,2017

Dear Parents,

This is a short week. We will be off on Friday Oct 27th due to a Workshop held for teachers. Remember on Thursday evening we will be having a Halloween Fun Night. There will be 3 tests on Thursday. The usual Comprehension/Vocabulary test, spelling test and religion test on chapter 3. We are collecting pennies for the Ronald McDonald House and box tops. If your child turns in pennies or box tops they will receive Mr. Reymann dollars. For each 100 pennies they will receive \$100 dollars and for each group of 25 box tops they will receive \$25.

Religion: Your children will be studying the life of Sant Teresa of Avila. They will also be filling out a study guide and bringing it home to study for Thursday's assessment. Mass is on Wednesday at 10:00 and I encourage you to join us.

Math: We continue learning the diverse ways to multiply 2,3,4-digit numbers multiplied by a one- digit number. There will be a study guide coming home on Friday. The assessment will be on Tuesday of next week.

Language Arts: Your children will be reading a story about a school that starts their own newspaper. They will be reviewing irregular plurals and their writing assignment will be to interview someone about their experiences in the celebration of Halloween. We will then make our own newspaper to send home, for your enjoyment. They will have a sheet of questions to help them with the interview.

Social Studies: The children will be going into the period of California history that deals with the Colonization by Spain. We will also start talking about their Mission Projects. Here is the list of parents that have let me know they are interested in being a chaperone; Mrs. Spinks, Mr. Mariscal, Mrs. Sisifa, and Mrs. Torrico. If I have left someone out or you would like to be considered, please email me. I am giving it another day and will be picking names on Tuesday.

Have a blessed week and may the Lord bless you and keep you all the days of your life.
