Goodman's Good News

Week 13 Nov. 20-Nov. 21

Hope to see you all this week for conferences.

If you did not receive a slip from your child with your conference time, please email me.

Spelling and vocabulary words will be accessed on their iPads in the Showbie program.

All math WORK will be done on a piece of paper in the format I showed them on the board. The pearsonrealize website (accessed with Safari) has lessons and review assignments that you can surf through together for help at home.

My email is jgoodman@sbdiocese.org and is the best way to contact me.
