ST. EDWARD SCHOOL SERVICE CREDIT SYSTEM

Purpose:

The credit system is designed to involve parents in the education of their child, build a strong faith community and to provide incentive for parents to contribute to the operation of the school in ways that will reduce or eliminate tasks that would require extra monetary outlay by the school.

Volunteer Credits:

Twenty credits per family per year. Ten credits per single parent family with court order on file. **The year begins May 1, 2017 and ends April 30, 2018.** One service point equals one credit.

Recording of Credits:

For efficiency and convenience we ask you to fill out your points each month on this form. Your service points will be recorded as a credit to the account at the end of April. It is your responsibility to turn this form into the office by **April 30th**. **FORMS ARE DUE BY MAY 1ST**.
